Ben Hadley - Production Sound Mixer
Curriculum Vitae

Career History	2005 - Present	Freelance Production Sound Mixer
	1999 - 2005	Location Sound Recordist (ITV Staff)
	1998 - 1999	Studio Sound Assistant (ITV Staff)
	1995 - 1997	FOH Sound Engineer (TourCo Concert Production)

About Me I have over 23 years broadcast experience as a Sound Recordist (seven years as ITV staff) working mainly on Documentary, Lifestyle, Motoring and Children's programs as well as Drama, Commercials and Film.

I completed my training at BBC Wood Norton in 1999 whilst working at ITV Central as a studio sound assistant, quickly moving out of the studio onto location as a Sound Recordist where I worked on innumerable projects for broadcast on the ITV Network until Dec 2004 when I became freelance.

As a freelancer I have had the opportunity to work on many exciting and challenging projects which has given me a broad range of abilities and specialities such as filming on water, in the air and in fast moving vehicles,

I am proficient with multi track recording and the accompanying digital work flow required. I hold a current 'i' Visa and have travelled extensively with work.

Training	2003	BBC Wood Norton - PSC Lighting Course
	2003	IEE Electrical Installation (16th Edition)
	1998	BBC Wood Norton - Broadcast Sound[?]
	1996 - 1997	NOCN in Television and Video Production
	1995 - 1996	WALCAT - Advance GNVQ and NCFE in Sound Recording
